

THE MISSION

The Memorial Beach Challenge provides financial support to military families through our official partnership with 31Heroes, and creates a better awareness of the incredible sacrifice military families endure to ensure our freedom.

ABOUT THE MEMORIAL BEACH CHALLENGE

Memorial Beach Challenge is proud to organize and host an annual event that brings together athletes and families for a day of competition and comradely—but also to honor those who have served and support the heroes still in the fight.

With a soft-sand adventure race—featuring Navy SEAL-approved obstacles - and a Fun Run for kids, the Memorial Beach Challenge event has something for individual athletes and teams of all ages. But beyond the races that test our own physical and mental strength, the day is about honoring those whose sacrifice, strength, and bravery helps preserve the freedom we enjoy every day. The event closes with a moving memorial service, ensuring that the legacies of our heroes are never forgotten.

BENEFICIARIES

Memorial Beach Challenge is proud to partner with the 31Heroes, for the eighth year. 31Heroes was conceived in response to the Extortion 17 helicopter crash in Afghanistan on August 6, 2011 killing 30 military service members, as well as one military working dog. Men and women from all branches of our armed forces lay down their lives every day in defense of our freedom, sometimes with minimal recognition for their sacrifice or their family's sacrifice. The events of August 6, 2011 drove the Founders to recognize our responsibility, as Americans, to take care of the surviving families of this particular tragedy, but also to take action in support of all families of our fallen military heroes. Today, 31Heroes raises money and awareness through social and athletic events to support the families of Extortion 17 and honor their legacy by funding the treatment of traumatic brain injury and post-traumatic stress disorder.
